

WANNA BE

WANNA BE

WANNA BE

Maryland

Hello Friends!

We are from Southern Maryland, near the Chesapeake Bay. Our class has 9 girls and 1 boys and we are in the second grade. Our school has about 400 students all together, starting with our 3 year old class to fifth grade. Most of us love spending time on the water on the weekends and eating crabs, which is our state crustacean. The skipjack is our state boat. Our state flower is the Black-Eyed Susan and the state tree is the White Oak. We would love to hear back from you! Have a great year!!

Square Miles: 1788.
