

Greetings from the Buckeye State of Chio! We are a kindergarten class of 21 students at a private Jewish Day School. We like living in Columbus, Ohio because we are close to Cosi - a cool science museum, and the Columbus Zoo the zoo that Jack Hanna works with. Our state bird is the cardinal. We have enjoyed learning about all the states and classes as we find one similarity and one difference for each postcard we receive! Thanks for being a part of this project, we hope you have a wonderful school year!
