# Arizona

We are in 5<sup>th</sup> grade in Gilbert, Az.  
 Arizona is a very fun place. We can  
 go on bikes, go to Old Tucson, and  
 Sun Splash. It's really hot in Gilbert  
 most of the year. But in other parts  
 of Az it's cooler. Our state bird  
 is the Cactus Wren. It is a very  
 beautiful bird. Our state tree is the  
 palo verde.
