S709 JACKSONVILLE FLORIDA

Greetings from downtown Jacksonville. Where there are fabulous night spots and first rate shows just across the St. Johns River.

Hi, we are from Mrs. Saoud's Class. We live in Florida. Our state is known as the sunshine state because there's a lot of sun! Jacksonville has a very famous military base: NAS JAX. Our school mascot is a manatee. We have a near double fact with boy and girls. We have 9 girls and 10 boys = 19 in all.
