Hephzibah, Georgia 30815

Hello from Hephzibah, Georgia!!!!

We are a third grade class located next to Augusta, Georgia (Home of the golf tournament called The Masters) and near a large ARMY base called Fort Gordon.

In class we are currently learning about rocks, the government, and geometry. We love to say "y'all," which means you all and we love to drink SWEET tea! What are some things y'all do differently? :)
