Kansas

greetings from
KANSAS

state bird: meadowlark

state flag

our class!

state flower: sunflower

Hello from the Great state of Kansas!
 We are a first grade class, consisting of 8 boys and 10 girls. Our school is Elmont Ejelementary, just outside of Topeka, the capital of Kansas. Our state bird is the meadowlark and our state flower is the sunflower. If you came to visit, we would take you to the zoo, our new Discovery Center, or to see a football game. We love cheering for the Kansas State Wildcats and the KU Jayhawks. Our class is split on which team they like the best! In class, we are learning about the continents and how to tell time. If you want to learn more about Kansas, Skype us! Skype name: mrsmathes
