Greetings from Maine!

We are the students in Ms. Kent's Kindergarten at Leeds Central School in Leeds, Maine. Our school has 203 students in grades prek-6. We live in a rural part of Maine and the closest city is Lewiston and it's about 20 minutes away. There are 14 students (8 boys and 6 girls) in our class and we are one of two kindergartens in our school. Right now we are busy learning about pumpkins, fall, patterns, estimating, and reading. We love to play outside on our huge playground with a super big sand pit. We get really dirty some days :) We're also using The Daily 5 and Writer's Workshop to help us become better readers and writers. We are really excited to get postcards from our new friends and hope to connect with you if our teacher gets her blog up and going soon!

Stay in touch!
