

WANNA BE

WANNA BE

WANNA BE

Greetings from Daniel St. Elementary School, in
 Lindenhurst! Our town is on the south shore of
 Long Island. The photo on the postcard is of the
 Fire Island Lighthouse. We see this lighthouse
 when we go to the beach by car or boat. We love
 living by the water. During the summer, we
 enjoy fishing and clamming in the bay and boogie
 boarding in the ocean.
 We are about a 50 minute train ride from New
 York City.
 We hope you are having a great year!
