

Greetings from Pennsylvania!

school year!

We are students at the Eastern Lebanon County School District located in Myerstown, PA. Myerstown is located about 2 hours outside of Philadelphia. We are in fifth grade and attend the Intermediate School. Pennsylvania is famous for many things. Hershey chocolate and Hershey Park are at the top of the list. Philadelphia, of course, is very important to America's history and is the home of Betsy Ross, The Liberty Bell and the Declaration of Independence to name a few. Harley Davidson has a large motorcycle plant here in York, PA. We have many sports teams we love to support. They include the Eagles, Steelers, Phillies, Pirates, Flyers, Penguins, 76ers and the Herstley Bears! We hope you enjoy our hand drawn postcard! Have a great
