The Lone Star State

Howdy y'all!

We are a first grade class from the great state of Texas. We are the second largest state in United States by land size and by population. Texas is a nice place to live, but it can get very hot. On those hot, hot days, we are able to rest in the shade of our big and beautiful state tree, the pecan tree. To say it like a real Texan you need to pronounce it puh-CON ☺. If you have any questions, you can email us at 1stgradewithmisssnowden@gmail.com. We also like to Skype. Email us for details.
